AVOID IMPULSE PURCHASES

High-interest debts can eat into your savings. Focus on paying off high-interest debts first to minimize interest payments and free up more money for savings.

REDUCE DEBT

SET SAVINGS GOALS

Set up automatic transfers from your checking account to a savings account. Pay yourself first by prioritizing savings before spending on non-essentials.

AUTOMATE SAVINGS

INCREASE INCOME

Set up a side gig or ask your boss for a pay increase—you deserve it!
